

## Dravet Syndrome Foundation Research Roundtable

Thursday, December 1, 2022  
6:00pm-10:00pm  
Nashville, Tennessee

This annual meeting, held at the American Epilepsy Society (AES) Conference, brings together researchers, geneticists, neurologists, and other professionals with a strong interest in Dravet syndrome and related epilepsies.

Our 13th annual Research Roundtable will take place on Thursday, December 1, 2022, in Nashville in conjunction with the AES meeting.
